NAMES in the NEWS

ROBERT J. WERNE

The University of Evansville recently had an awards dinner where they gave recognition to a few men who have played a vital role in the success of the University. One of those men was our own Bob Werne, Manager of Purchasing. The award was so nice that we would like to quote it for you.

"An Alumni Achievement Award is presented to Mr. Robert Werne in recognition of his loyalty and service to the University of Evansville. During the past year, Bob has served as a vice president of the Alumni Board of Directors and as chairman of the Alumni Finance Committee. Under Bob's leadership the 1972-73 annual telephone campaign surpassed its goal of \$40,000 and pushed the alumni fund to a record \$70,000.

Bob has given unselfishly of his time for these projects. His enthusiasm and support for the University have made him an indispensable asset. For this and other reasons, the Alumni Association takes this special time to honor Robert Werne".

This kind of recognition makes us very proud of you, Bob, and points out what we already knew...you do a fine job in whatever you attempt.

Congratulations!!!

Gilbert Schmitt has been elected to the board of directors of Perry Township Fire Department, for a two year term. Gilbert is presently enrolled at I.V. Tech taking a Medical Technician Course in conjunction with the volunteer fire department.

It was reported that Gilbert Hartig has been in the hospital. Evidently he is home now and the employees of the maintenance department want to wish Gil a speedy recovery and return to work.

That goes for all the rest of us too, Gil! Hope you feel fine for the Holidays. Wouldn't want you to miss the Christmas and New Year's "Cheer".

UNITED FUND DONATIONS...

A total of \$7,047.15 was donated by Hahn employees for the United Fund this year. The Company and our UAW Local worked together to get a significant increase of 36.3% over last year. Three hundred and twenty employees contributed an average of \$19.36 each. Such a successful United Fund Drive is a nice way to share Christmas with people who need assistance.

IN SYMPATHY...

We wish to extend our sympathies to Larry Cunningham, who's mother died on Thanksgiving Day, and to Marilyn Delli Gatti, who's husband died Friday, November 30th.

Hahn Employees Association | NEWS

Just for the record! The H.E.A. sponsors women's bowling teams as well as men's. We are currently sponsoring two teams. The Hahn Gals, Renee Vickers, Sharry Carr, Charlotte Schmitt, Bettye Gest and Andrea Martin, bowling on Wednesday nights at Diamond Lanes, and the Hahn Hustlers, Shirley Jourdan, Doris Kerchief, Janet Gregory, Nancy Owens and Pam Simon, bowling on Thursday nights at Meadow Lanes. Dottie Detroy is a "floating sub" who fills in for both teams. They may not always be in first place, but they sure have a good time. If anyone is interested in getting a team together, see your H.E.A. representative.

The H.E.A. Ladies Night Out/Xmas Party was attended by thirty-four employees from the plant and office. After cocktails and dinner the ladies adjourned to the lounge to hear Mr. Al Martino sing. Everyone seemed to have a great time and we hope next year more ladies from the plant will join us.

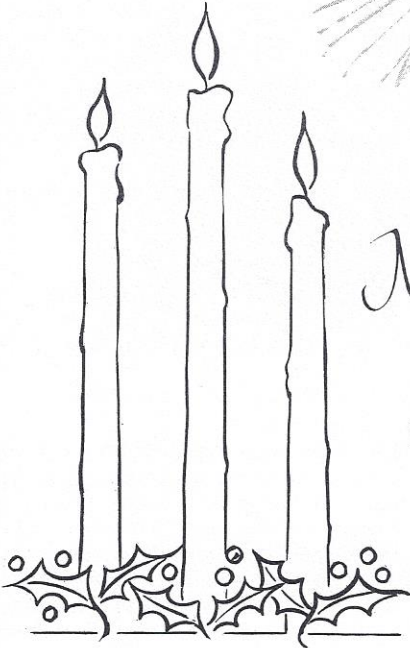

More than \$6,000 worth of hams were distributed among 565 employees this year. In order to receive a ham, an employee must have had his 60-day probationary time in by the day the ham certificates were distributed. Your H.E.A. hopes you will enjoy these hams and hopes that everyone has a very Merry Christmas.
