

Hahn HI-SPOTS

Volume I, No. 23
May 3, 1974

Pictured is Mrs. Christ J. Hahn (Mother of Lloyd and Jack) and Miss Connie Sue Donner. Connie is the 1974 recipient of the Christ J. Hahn Memorial Scholarship which is awarded annually to the son or daughter of a Hahn employee. Dale Carr, son of Vollie Carr, was named first alternate. The recipient is chosen by the Committee of Student Aid & Counselling which is made up of five outstanding Evansville residents. The scholarship is awarded based on applicant's scholastic achievement and promise as well as personal qualities such as character and leadership ability. Mrs. Hahn presented the award to Connie on April 26, 1974.

Connie, (daughter of Jim Donner, a Millwright in Maintenance) is a senior at North Posey Senior High and ranks 19 in a class of 136. She has held offices in several school organizations including the 4-H Club, Honor Band, Senior Youth Fellowship FHA, and Library Club. Some of the comments made to the Scholarship Committee by her Band Director are worth repeating... "Connie has done a fine job this year as Band Captain. She has leadership qualities and can take charge and get a job done without being overbearing. Citizenship is exemplified to a high degree by Connie. She will take the initiative, is not passive and she's quite self-reliant. Her most commendable qualities are a very positive personality, desire to achieve and satisfy, and cooperation and concern for others." Connie plans to enroll at the University of Evansville and study Nursing.

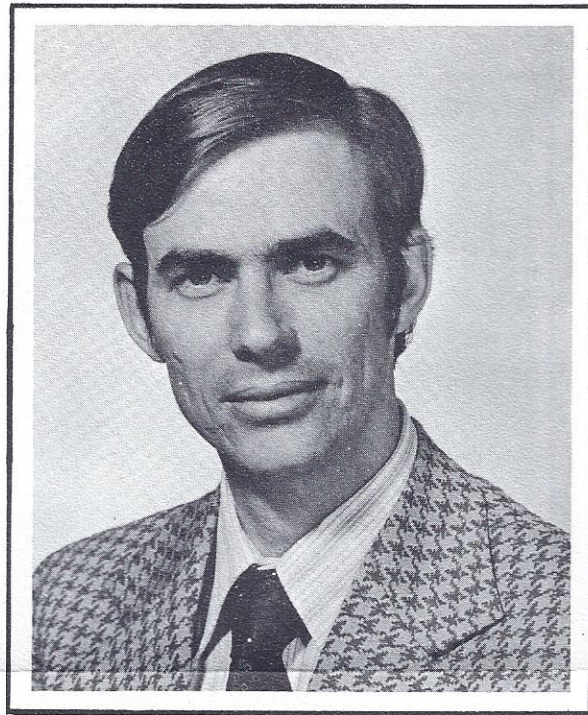

On behalf of the Management and Employees of Hahn... "Congratulations" Connie and we wish you great success in the future.

Service Parts Consolidated Into New Division

Mr. Dan Fuquay joined Hahn, Inc. on April 4th as Manager of the Parts Division reporting to Jack Hahn. Service Parts has been set up as a separate division, and Dan's responsibilities as Manager of the area will include Order Entry of all parts, customer inquiries and complaints, inventory control of service parts and other functions related to the parts area. Some of the main objectives of the Parts Division are...

- * To operate as a separate division and a separate profit center.
- * To give our customers better service in timely and accurate parts shipments.
- * To promote parts sales in the Market.

Dan is a '63 graduate of Reitz High School. He attended Indiana University and graduated in 1967 with a Bachelor of Science in Management. He then entered the Air Force where he was Pilot and Captain until 1973. He flew 205 missions in S.E. Asia with a total of over 1300 hours in an F-4 fighter bomber. During the time he was in the Air Force, Dan received a Master's Degree in Management from the

University of Arkansas. His prior work experience is with Sunbeam Plastics and Bernardin, Inc.

Dan and his wife, Janet (Lloyd & Helen's youngest daughter) will reside on Schmuck Road, Box 268, Evansville.

Join us in welcoming Dan to Hahn, Inc.

VACATION SHUTDOWN

The plant and office will close for vacation Monday, July 8, 1974 and resume operations with beginning of shifts Monday, July 22, 1974.

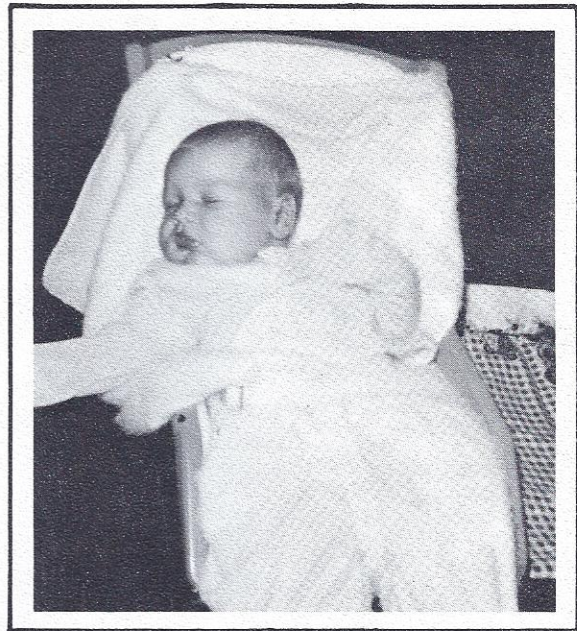

Any employees scheduled to work in the shutdown period will be notified by their supervisor.

LADIES NIGHT OUT-MAY 16TH

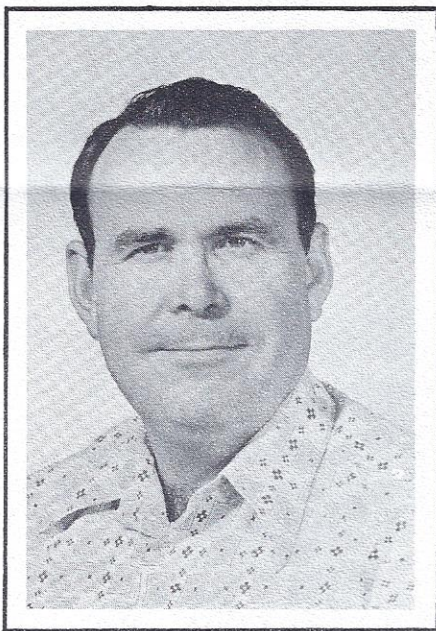

The H.E.A. Ladies Night Out will be held on May 16th at Burdette Park. Lloyd Hahn will be there to do the cooking. Cocktails will be served at 6:30 p.m., dinner later! Anyone who has not turned in a reservation slip, but would like to attend, may make a reservation by calling Jan Gregory at ext 266.

congratulations

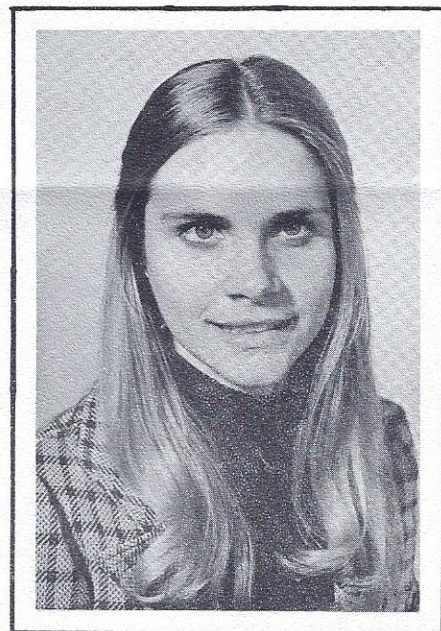

Meet Danny Forest Barrow who was born February 8. He is the son of Dan and Joyce Barrow. Dan is a Layout Draftsman in our Product Engineering Department (Ag Division).

PROMOTIONS...

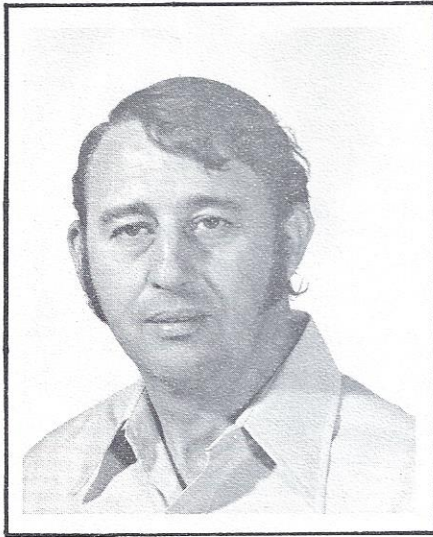

Jim Johnson began employment with Hahn in March this year as an Assembler in Department 3 and has been promoted to Foreman in that department. He was formerly in Management with Shopper's Choice, located in Lexington, Kentucky. Jim attended the Lexington Baptist College and received Associate Degree in Business in 1973.

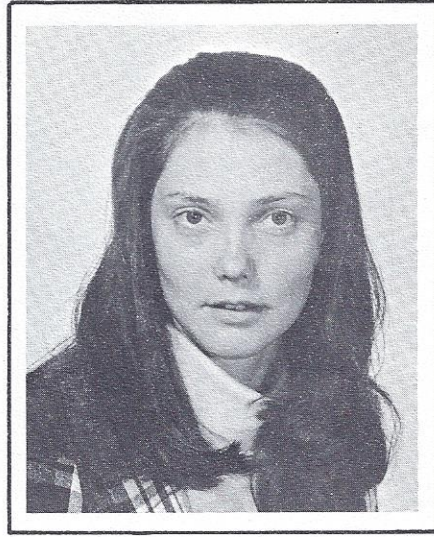

Vicki Sandefur started with Hahn in April, 1972 and has worked in various departments including the Material Control and Graphics-Print Shop areas. She has been promoted to Secretary in Accounting reporting to Controller, Wayne Pokorney.

NEW EMPLOYEES

WILLIAM T. THOMAS

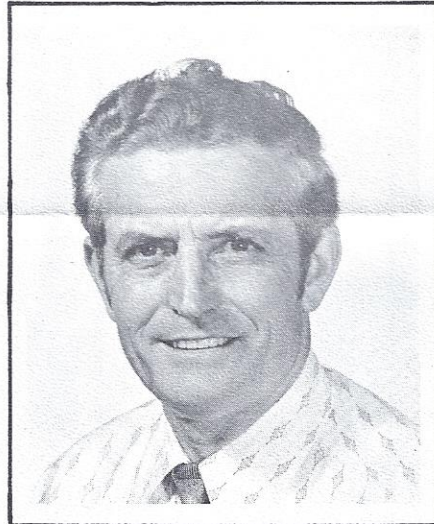

GWYN DEE GAISER

Bill Thomas came with us March 27 as Foreman in Department 5-A. He has 12 years experience in Paint Line supervision and was formerly with Eastern Airlines. He and his family reside in Dawson Springs, Kentucky.

Miss Gwyn Gaiser joined Hahn April 29 in Graphics. She is a 1971 graduate of Central and was formerly with Welborn Hospital.

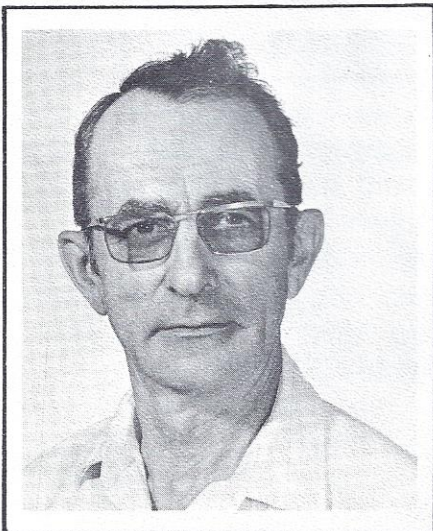

RONALD A. CROWE

HOMER F. COLEMAN

Ron Crowe came with Hahn February 27 in the Shipping department. He is a 1958 graduate of North High and was formerly with Custom Spray Products, Atlanta, GA.

Homer Coleman joined Hahn March 6th. He is Production Superintendent of 6-C and 5-A. Former employment was with Teledyne Motors and Whirlpool Corporation, in Production Supervision.

JOHN E. OSBORNE

We have approximately 66 new employees in the plant since March. Join us in welcoming all new employees to Hahn, Inc.

John Osborne joined Hahn April 8 as Foreman, Dept 1. He has 20 years of experience in Machining supervision and was formerly with Louis Allis as Chief Tooling Engineer.

Pictured above is the Hahn Factory Store display at the 1974 Courier-Press Home Show. The display included a fine representation of all our Outdoor Division line. A total of 18,000 persons attended the Home Show this year and Hahn's booth received a lot of interest. On the turntable was the all new 10 h.p. 30" LTD-500 Rider which turned out to be the feature attraction of the booth.

We want to thank those who helped make our participation in the Home Show such a success. It was with the help and support of Dave Ellis, Del Doubler, Bob Ward, Leamon Williams, Jerry Simpson and the men in custom products and photographer, Wayne Hassee, that we were able to build such a fine looking and well received display.

If you didn't have a chance to attend the Home Show, stop by the Factory Store and see the fine products we have to offer and remember, Hahn employees are entitled to a discount.

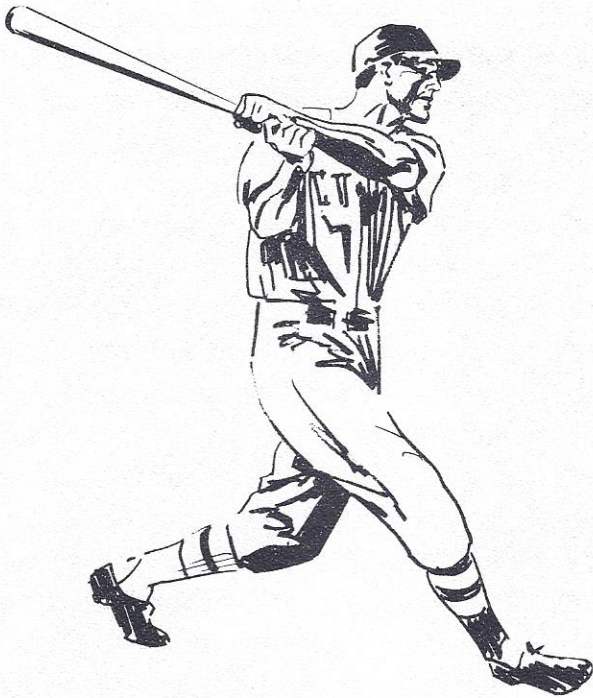

HAHN GOLF LEAGUE

We are going to organize a 2-man team Golf League this year and it will start off with a Blind Bogey Tourney May 18 at Fendrich Golf Course. All employees are welcome to participate in either or both the Tourney and League. Our HEA will help to subsidize both.

All members of the League will be required to play at least 27 holes this year and have the attested cards turned in to Jerry Kuester by May 21 to establish your handicaps. The Blind Bogey Tourney will qualify for 18 of the necessary holes played.

There are apparently several employees interested and if you are one of them, please sign one of the rosters placed on the bulletin boards so that we can get an accurate list of all participants. This will help us to make final arrangements for the Tourney and the League.

Any questions at this point should be directed to Jerry Kuester, Pete Grider or Gary Kelley.

Hahn Employees Coach Local Team to State Basketball Crown...A team of 11, 12 & 13 year old boys coached by Jim Gee and Mike Borst captured Evansville's first Junior AAU Basketball Tournament Championship. The team scored a 62 to 31 victory over an Indianapolis team to advance into the semi-final round. The local boys won the semi-final round by forfeiture and moved into the Championship game against a towering Franklin, IN ball club.

The Franklin team found guards D. Elsner and D. Mattingly more than they could handle and only scored 35 points to Evansville's 67 points. D. Noble, a 6 ft, 7th grader from Caze Grade School lead the team in scoring with 23 points. M. Watson of Chandler, Indiana controlled the rebounding of both boards and added 20 points in the Championship game.

The team hopes to travel to Arvada, Colorado during the last week of June to compete in the National Junior AAU Olympics. Pictured above with the team are coaches Mike Borst on the back row left, Jim Gee in back row right and Rick Tepool, front row left. And, of course, Mascot Rick Borst who is front row center.

"Congratulations" coaches and team and best of luck in Colorado!!!!!!

CANCER!!!

Cancer can be cured if discovered early enough. It doesn't directly kill normal cells but instead, crowds them out, killing the normal cells indirectly. The cause of cancer is unknown. Scientific observations seem to indicate that cancer develops in areas where tissue damage has already begun to break down for one reason or another.

Taking one example - skin cancer, in one form, is thought to be a result of continuous rubbing of a wart or mole, or a constant rubbing, irritating of the skin in one place.

PAIN IS SELDOM AN EARLY SYMPTOM OF CANCER

SEVEN WARNING SIGNS OF CANCER

1. Unusual bleeding or discharge.
2. A lump or thickening in the breasts or anywhere in the body.
3. A sore that does not heal.
4. Any change in bowel or bladder habits.
5. Hoarseness or cough that does not get better.
6. Indigestion or difficulty in swallowing.
7. Any change in a wart or mole.

If any of the above mentioned symptoms continue for more than two weeks, consult your doctor.

THESE 3 TREATMENTS ARE THE ONLY PRESENT TREATMENTS FOR CANCER.

- | | |
|--------------------------------|--|
| 1. Surgery | |
| 2. Radiation | These treatments are used separately or in any combination in treating cancer. |
| 3. Chemotherapy (Use of Drugs) | |

Beware of Sponsors and Solicitors of quick cures, special potions, diets, home remedies, etc. They are out to get your money. A good way to recognize fraud is if they imply that your doctor does not know of these new cures.

REMEMBER...

1. Learn cancer's seven danger signals, and consult your doctor at the first signs.
2. Visit your doctor regularly for a complete physical.
