

Hahn HI-SPOTS

THANKSGIVING 1976

It is good to pause again and think of what we have to be thankful for. I am sure each of us here at Hahn have some personal things that we are happy and thankful for this year. Each of us have had sadness and disappointments also this year.

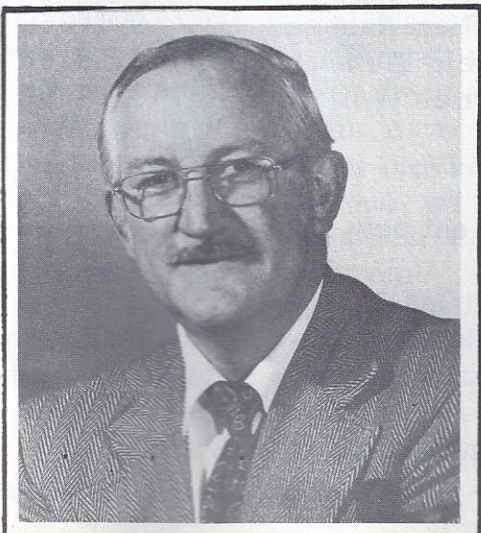

Let us try to understand the way life works and the greatest joy in life is helping other people.

We are all thankful that the company is growing stronger and that we seem to be on the road back to a healthy and progressive company.

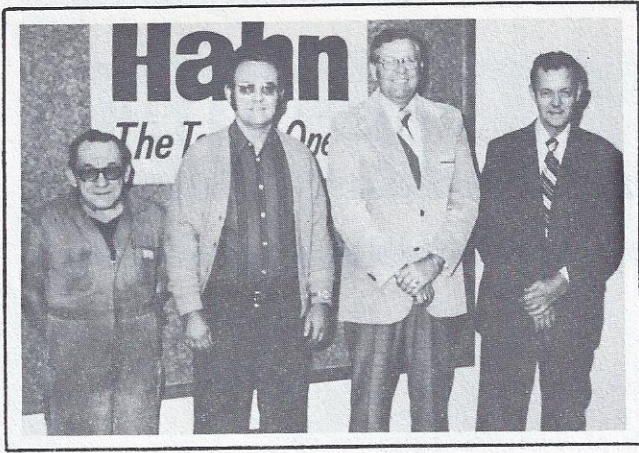

The progress of Hahn, Inc. is due to the dedicated efforts and hard work by all of you. The spirit of the company with its smaller work force is evident in our forward progress.

All staff members, Jack, and I, wish you and your family a healthy and happy Thanksgiving.

Floyd

Ken Bradfield joined Hahn, Inc. April 10, 1951 and has been in management most of these twenty-five years. He is a graduate of Purdue University with a BS in Agriculture. Ken lives on Boonville-New Harmony Road with wife, June, of thirty-three years. They have two children, daughter Patty (in Dallas attending school) and son Ken; also a granddaughter, Stacy, who will be one year in January. Ken's foremost hobby is Beagleing, also enjoying field trials, hunting and fishing.

 tickets from any H.E.A. representative...

Betty Clark - Ext. 240
 Frances Redd - Ext. 228
 Rick Tepool - Plant

DOOR PRIZES to be given away!!

H.E.A. NEEDS IDEAS!!

Money collected from the vending machines contribute to the growth of the Hahn Employees' Association, which is for ALL employees of Hahn, Inc.

We have had various activities for Hahn employees and their families including: Spring Dance, Christmas Dance, Ladies Night Out, Men's Stag. HEA is currently sponsoring 2 men's bowling teams and one ladies team. A Golf Tournament is sponsored for anyone interested. HEA contributes a Christmas Ham for all employees. HEA sends flowers for the deceased member of your immediate family.

We want your opinion as to what activities YOU would like provided by your HEA. Should we continue with the Spring Dance, Christmas Dance, Men's Stag, Ladies' Night Out, etc? Should we include a picnic?

Please give us your ideas on events for the coming year and, most important, will you attend the events?

Contact your HEA representative... listed elsewhere in the Hi-Spots.

H.E.A. NEEDS HELP!

When there is a death in your immediate family, HEA sends flowers. The immediate family consists of mother, father, wife or husband, and children living at home. We do not know your family, and for this reason we need your help.

When there is a death in your family, please notify your HEA representative!

With the sick.....

John H. Owens
 Jean A. Rideout
 Gerald Kuester
 Mary Fitzgerald

We wish them a speedy return to good health.

**Make
it
Happen**

We are pleased with the results of our first 4-months of operation for our current fiscal year which began July 1st. As of October 31, our sales were 46% ahead of forecast and our profit and loss was 31% better than forecast. We are also pleased that we have been able to stay right on target on our expense budgets.

We still have a lot to prove with the last 8-months of the fiscal year being the BIG months in sales and production. We know that November will not have the sales we had forecast because we have already sold some of the product we had scheduled to sell in November but we believe, with a lot of effort by everyone, we can make this fiscal year into the successful year that we have forecast.

Jack
