THE TOP "TOUGH ONES" TEAM

THE TOUGH ONES

The Tough Ones from Hahn was the theme for the 1974 Outdoor Products Division National Sales Meeting held at the Executive Inn on August 14, 15, and 16.

Introduced to the distributors for the first time was the RMD-400, our new riding lawn mower. The RMD-400 was well received as was the entire 1974 line of Outdoor Products.

The 70 distributors from all over the United States listened on Tuesday to Jack Hahn report the progress of Hahn and Lloyd Hahn tell about Government and Outdoor Product Industry regulations.

1974 pricing, engineering changes and advertising were the topics on Wednesday morning, while the afternoon was spent in a factory tour, product demonstrations, and recreation.

The national distributor meetings held each year are important to all of us because our sales are dependent to a great extent upon the work of these distributors.

Pictured above with the 11 top distributors are Regional Managers Charles Bradley and Dick Sorrenson. Bradley, top row far right, received the top award for increase in sales and Sorrenson, top row far left, received award for second highest increase in sales.

"THE HAHN FLOAT"

On Saturday, October 6, Hahn entered a Float in the Fall Festival Parade. Equipment displayed included a Hahn Hi-Boy, Tiller, Pow-R-Pro, a Rider with Rear Mount Catcher, Air Rake Vacuum, Shredder-Grinder and a Flex-A-Matic. Hahn received lots of attention for our display of fine equipment and of course, our beautiful Hahn ladies who were dressed in black and Hahn yellow.

Pictured above from left to right is Renee Vickers on the Hi-Boy, Shirley Jourdan near the Tiller and Pow-R-Pro, Jan Gregory at the Air Rake, and Dottie Detroy on the Flex-A-Matic.

Our thanks to Charles Jenkins who gave us the idea, and to Dave Ellis, Stan Hahn, Vollie Carr, the Graphics Dept. and others who put a lot of work into making the float...and our special thanks to the girls for giving us their time on Saturday to ride on the float and add beauty to the scene.

Jerome Blair, Shipping Checker in Dept. 22 is Assistant Coach of the Little League Ball Players of Stanley. Jerome reported that the team won nine of eighteen games played this year. Pictured above are the Little Leaguers and their Coach, Herman Miller and Assistant Coach, Jerome Blair.

HAHN GOLF TOURNEY

The date was October 13th...Saturday morning...and sixteen Hahn employees rolled out of bed and proceeded through the rain to Fendrich Golf Course where the second Hahn Golf Tournament of the year was being held.

The top money winners for the different categories were:

<u>Low Gross</u>	<u>Low Net</u>
Pete Grider - 76	Carroll Herrenbruck - 67
Gary Kelley - 81	Mike Stephen - 68
Mike Stephen-82	Leon Wallace - 71

Gary Starr had the lowest number of putts with a 30.

All participants in the tournament received cash prizes. And, in spite of the rain, everyone agreed they had a good time.

Since the interest in golf seems to be increasing among Hahn employees, Gary Kelley says there will be an attempt to form a golf league for next year's season.

Baseball season is essentially over and we just got the scoop on the HEA-UAW Hahn Baseball Team. Winning 11 out of 15 games, they came in second in the Industrial League! Indiana Bell beat us by a narrow margin. We don't have a picture of the team but its players include the following guys.....

- | | |
|------------------|---------------|
| Wally Gardner | Pete Grider |
| Ronnie Crawford | Kenny Benton |
| Syl Englert, Jr. | Roger Barnett |
| Tom Adamson | Larry Seib |
| Mike Barfield | Harold Clem |

"CONGRATULATIONS TEAM"

The month of December is an active one for the H.E.A.

First on the list of happenings is the Annual H.E.A. Christmas Dance. The dance will be held on December 1st at the Civic Center Gold Room. Our own Milton Hammers will be with us again this year, playing for your dancing and listening enjoyment.

Next up will be the combination Ladies Night Out and Christmas Dinner Party.

For all you new ladies here at Hahn, this is one night when it doesn't cost you anything to have a good time. Your H.E.A. foots the bill.

Our Christmas Dinner Party will be held at the Executive Inn on Wednesday night, December 12th. We will begin with a cocktail party at 6:00 p.m. during which time we will exchange gifts (\$3 Limit) and interesting conversation. (Conversation always gets interesting after a few cocktails!)

Dinner will be served at 7:30 p.m. with the following menu...

- Swiss Steak
- Baked Potatoes
- Combination Salad
- Hot Rolls & Butter
- Beverage
- Peppermint Ice Cream

Cocktails and dinner will be served in the International Room A.

After dinner, what could be better than a little entertainment? Nothing that we could think of. So, for all who want to, we will adjourn to the Lounge where the renowned singer, Al Martino, will be entertaining.

Information regarding reservations for both these H.E.A. events will be posted at a later date.

HEA has elected new directors and will be appointing new officers in the near future. We will have more about that in the next issue of the Hi-Spots.
