HI-SPOTS

September 1977

AL BELANGEE COMPLETES 25 YEARS

AL BELANGEE JOINED HAHN, INC. ON JUNE 6, 1952. OUR SINCERE THANKS TO AL FOR 25 YEARS OF LOYAL SERVICE.

LESTER ADAMSON, CLARENCE HERRMANN, AND ALVIN KISSEL, have recently retired. Lester worked for Hahn since January 1955; Alvin since January 1956; and Clarence since January 1962. Best wishes to all. We hope your retirement days are many and full of happiness.

Service Anniversaries

Thanks to MARGARET ADAMS, Warranty Claims Supervisor and Secretary to Dan Fuquay; EMIL GERLING, Inspection; PETE GRIDER, Foreman, Warehouse; JIM HIGGINS, Welding; and, LLOYD SCHMITZ, Expediter. Each has completed fifteen years with the company.

HAHN WAS BUILT ON PERSONAL INITIATIVE AND PEOPLE WHO CARE. IT'S PEOPLE SUCH AS THESE WHO HAVE HELPED THE COMPANY THROUGH DIFFICULT TIMES AND ARE THE REASON HAHN CONTINUES TO SUCCEED.

 **Familiar Faces** 
in new places

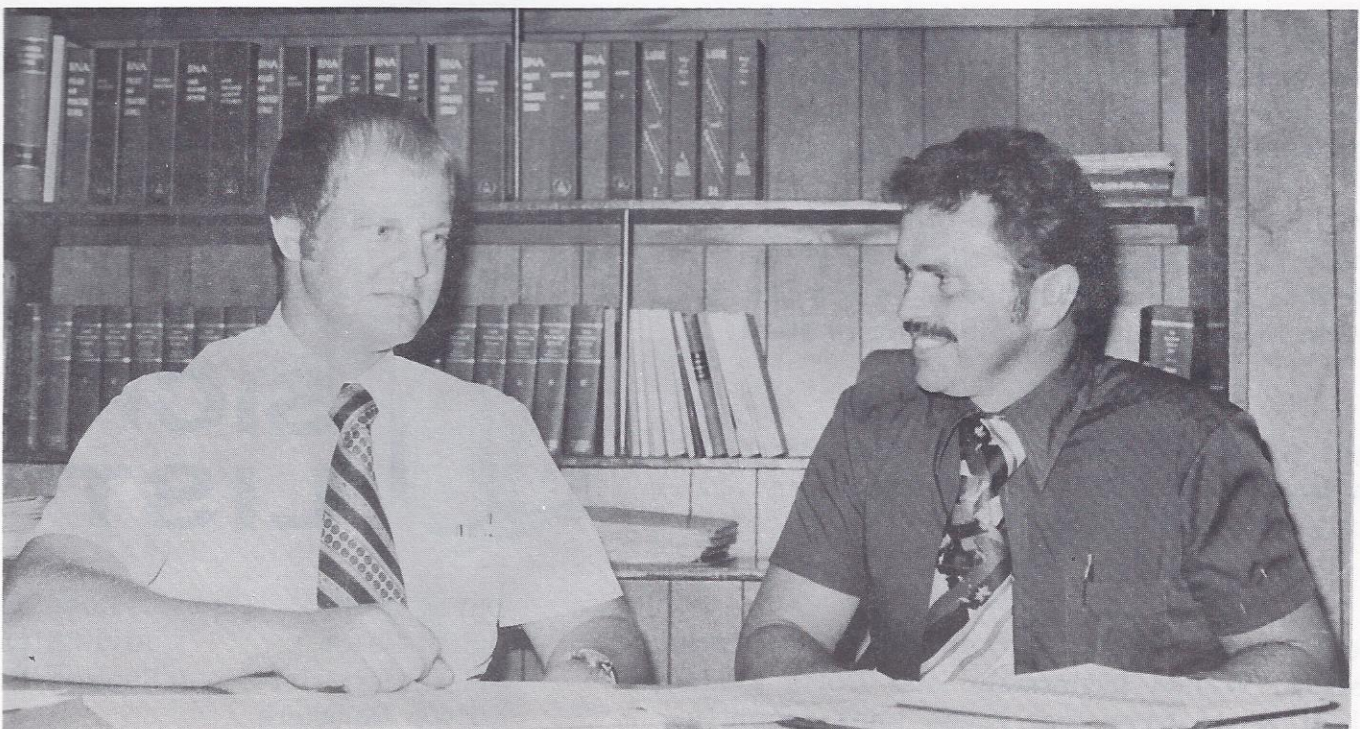

IT IS THE POLICY OF HAHN, INC., TO FILL POSITIONS BY PROMOTING FROM WITHIN THE COMPANY WHENEVER POSSIBLE. THE FOLLOWING EMPLOYEES ARE TO BE CONGRATULATED:

Jim Niemeier, Service Parts Manager, has been promoted to Marketing Administrative Manager.

Stanley Davis was promoted from Scheduling Clerk to Production Coordinator.

Nancy Rumans was promoted from Key Punch Operator to Computer Operator.

NOTE TO ALL EMPLOYEES:

News items are appreciated at any time. Any news pertaining to you or your family at work, school, church, or home, will be welcomed.

The William Greenwells (Karen) have a new baby girl, Sarah Elizabeth, born June 19th, 8-lbs.5-ozs, 19" long. Karen works in the Service Parts Dept.

The Bob Detroys (Dottie) wish to announce their new granddaughter, Ashley Elizabeth, born June 7, 7-lbs.4-ozs, 19" long. Dottie is our switchboard operator.

Evaline Reed is also a new grandmother... David Ryan Johnson, born June 3, 7-lbs, 10-ozs, 21" long. Evaline is secretary in the Manufacturing Administrative Dept.

Kent Hahn and Polly Wright were married on August 27, 1977. Congratulations... Polly and Kent!!!

We want to express our sympathy to Dottie Detroy, Wanda Lutterman, and Doris Lindsey, all of whom have lost loved ones recently.

With production starting up again, we all need to start thinking of Safety Awareness.

Be alert... be careful... whether you sit at a typewriter... or man a drill press. It is essential to practice safety measures.

Medical News

How valuable is SIGHT? Cataracts are the greatest single cause of blindness among adults today.

Cataract is not an infection...is not contagious...is not a skin growing over the eye. A cataract is an opacity in the crystalline lens of the eye or of its capsule, which prevents light from passing through. The lens refracts the light which passes through it and relays the light to the retina which is the nerve tissue in the back of the eye. When activated, the retina passes the message on to the brain. THIS IS SIGHT. A cataract prevents light passing through the lens and thus, the retina is not activated. The cataract causes swelling of the eye fibers which then cause a distorted image to appear.

Most cataracts are in older persons but can occur after an injury or a blow to

the eye. Cataracts may also be caused by heat, Xray treatment, or the ingestion of certain toxic substances or drugs. Some may be due to nutritional or inflammatory disturbances in the eye and may follow other conditions such as, glaucoma. Cataracts are diagnosed by ophthalmoscopic examination of the dilated pupil. The only treatment for cataracts is surgical removal of the lens, permitting the light to come into the eye unobstructed. No glasses, diets, salves, drops, medicines, or treatments, can prevent or cure cataracts. Cataract surgery today is successful in 95% to 97% of the operations.

Free clinics are offered at various times of the year through-out our city pertaining to glaucoma, blood pressure, kidney disease, and diabetes. Watch your newspaper for dates and places. The Life and Sight you save might be your own.

NAMES in the NEWS

Richard Sorrenson has rejoined our Outdoor Products Division as regional sales manager of the North Central United States. Dick came to Hahn in 1961 with the former Eclipse Company and served as territory manager until 1975 when he joined Plante's Lawn and Garden, one of our Outdoor Products Distributors. Dick's home is in Belvidere, Illinois. Welcome back, Dick!

OUTDOOR SALES DEPT. HOSTS SUCCESSFUL DISTRIBUTOR MEETING

On July 31 and August 1 the Outdoor Sales Department held its 1978 Distributor meeting in Evansville. The meeting began with a field demonstration and awards dinner at Oak Meadow Country Club. Dennis Dix, Executive Director of the Outdoor Power Equipment Institute, was the featured speaker and presented an overview of the industry.

The following day the meeting continued at the Executive Inn, where the distributors were given new programs and pricing for 1978. Sixty-six distributors from the United States and Canada attended the two-day event.

The Sales Department wishes to thank everyone who helped make this year's meeting a success. They have also announced that the Ag Division Distributor Meeting will be held at the Executive Inn October 16-17, 1977.

NEW PRODUCTS

AERI-BOY, jr.

The Aeri-Boy jr was designed to bring the advantages of aerification to the homeowner. Golf courses have had expensive aerification equipment for years. Now, any one who has a riding lawn mower can attach and use this aerifier to make his lawn more beautiful.

DUO-PRO

Our new rear-bagging mower converts easily to a side discharge mower. There are many rear-baggers on the market...but only the DUO-PRO cuts grass beautifully whether bagging it or discharging it to the side.
